Workshop for Parents

in the Five Towns

Maximizing Your Child's Success in School

New date due to Winter Storm Juno: Feb 16th!

Many factors play into a child's performance in school. One significant but often overlooked element is a child's emotional response to subject material and the classroom experience.

Join a workshop for parents of students who are struggling in school or whose children are beginning their formal learning experience.

Talk about your concerns and have questions answered!

In this informative workshop you will learn:

- ★ The role emotions play in the learning process for every student
- ★ How to prevent negative emotions from impacting performance
- ★ How to build confidence in your child
- ★ How to identify children who are at greater risk for developing emotional based learning issues
- ★ How you can identify when an existing learning problem is emotionally based and how to treat it

**Mon. Feb 16th
7:30-9:00 PM
To RSVP or for
more info call
347-673-1953
Price: \$75***

At:

556 Central Ave.
